Students must be currently enrolled at Garfield Heights High School.

Students are required to pay a student fee of $200.00 to the district at the time of enrollment for each course attempted in the Credit Recovery (GHOL).

Students must have access to a computer and the internet in order to be considered for (GHOL).

Students must complete work at a minimum rate of one lesson per course per week (e.g., 4 courses = 4 lessons per week). Failure to maintain the minimum rate may result in loss of credit, expulsion from GHOL.

Students have (3) days from notification of enrollment to change or drop courses. Changes made after (3) days will result in a $25.00 charge for each change. Courses dropped after (3) days will result in forfeiture of the student fee.

Students may be required to meet face to face with their instructors to take both the midterm and final exams for the course. These exams will be taken at Garfield Heights High School. Failure to show for the assigned test date may result in a zero score on the exam and a violation of the terms of the Course & Credit Recovery Agreement.

Students are expected to maintain an on-going dialog with their instructors, via the internal GHOL email system.

All student-teacher interaction, such as answering questions and grading student work, must occur on-line. This alternative education program allows for independent study with instructor monitoring. Individual tutoring for GHOL coursework is not available from the course instructors.

Students must comply with all Garfield Heights High School timelines and requirements to assure proper issuance of recovery credit or continued enrollment in GHOL.

Student enrollment will be limited to the beginning of each GHOL session. The high school Principal will make final decisions on course enrollment.

Students caught attempting to submit work other than their own can be removed from GHOL with the loss of any course credit issued and fees paid.

Instructors may allow students to “re-do” a section two times. After the second “re-do” the grade is final.
