Section 1- For Students with iPads
Section 2- For Students with Chromebooks

If you are having issues accessing your google classroom account or any of the apps needed, please reach out to your child’s teacher or the school technology support staff.

Section 1- For Students with iPads

1. Find the Google Classroom icon on the iPad that looks like this -> OR use your internet Browser (Safari or Chrome) to search http://classroom.google.com/ (use chrome steps below for this)

2. Type in your google username/email:
   This starts with the first initial of your first name, and your whole last name. It might have numbers at the end (ask your child’s teacher if you are not sure).
   This should end in: @s.kent.kl2.md.us
   Example for John Smith- jsmith@s.kent.kl2.md.us
3. Click “Next”. Type in your password. Click “Next” again and “Accept”.

4. Click “Continue”. Then Click “Student”.

5. Look for your Grade Level Classroom invitation (Example-Grade 2 KCPS). Click the Blue “Join” Button.

6. Look at the tabs on the top of the page and click “Classwork”.
You will look here every time you are in Google Classroom to get to assignments and classwork.

7. Look at the Pacing Guide First. Look at the expected assignments/classwork for each week. Go back onto the Google Classroom, Look under each Weekly Topic Area to find the Classwork and Assignments that match the Pacing Guide.

8. When looking to complete an assignment, check the “Your Work” section for the document.
9. When you are ready to work on the worksheet and ready to type answers in, click the icon at the top right of the screen with a box and arrow and it will open the document in Google Docs.
10. When you are done. Hit the home button (the actual button on the ipad) twice quickly and select the google classroom app again.

11. Then click the “Turn In” Button when you are completely done.
